Winnebago Athletic fundraisers like this benefit Indian athletic programs in many ways.

Most recently we had the privilege of having our gym floor re-finished and an addition of a wall mural.

Many of our sports teams have been able to purchase updated team uniforms and equipment essential for 'Bago success.

We appreciate your participation in this fundraiser and look ahead to a successful and fun event!

Winnebago Athletics is pleased to partner this year with the Scott Franklin Memorial Golf Outing!

Nine holes of daytime golf are an added option this year in support of the fight against ALS.

Five years ago, Scott Franklin lost his hard fought battle to ALS. He enjoyed spending time with his family, golfing with friends, and attending sporting events and band concerts. Family was a priority for Scott. He coached his son's baseball team and his daughter's basketball team. Through every step of the way, his family stayed by his side and now they would like to help other families in their fight against ALS. Proceeds will be sent to Mayo Clinic in memory of Scott.

"There will be a day...but until that day, we will hold on to you always"

-Jeremy Camp
